2. Revisions appear in *dark magenta italics* in the handbook. Other than formal titles, the italics will be removed the next time the material is updated. Only current changes will appear in dark magenta italics. Dark magenta italics provide a historical record of changes.
3. **Change Transmittal** has replaced the term Transmittal Letter. Change Transmittal was selected as being more appropriate in this age of electronic information transmission. The FAM volume's Change Transmittal acronym and numerical series remains in place.
